PROFILE

UX/UI designer studying Digital Creative at Hyper Island, hands-on with user interviews, journey mapping and usability testing. Six years in legal and compliance taught me to turn complex rules into clear, plain-language guidance.

DESIGN PROJECTS

MyMaria

Client: Mobile App Concept. Maria Ungdom, via Hyper Island · 2024

- Contributed to user interviews and mapped a five-stage user journey, from a therapist's referral to long-term use.
- Identified two low points, early distrust and later task fatigue, and proposed privacy messaging, a short onboarding path and customisable reminders.
- Worked to a team focus on accessibility for neurodivergent users; took part in ideation and usability testing.

Haglöfs

E-commerce concept, via Hyper Island · 2026

- Product page redesign turning dense specs into a calm, premium experience. Moderated eight user tests, generated and labelled the AI close-ups, and was the team's main contact with Haglöfs.

EXPERIENCE

Recruiting Coordinator (Internship) Permobil, Stockholm · Mar – Jul 2024

- Coordinated recruitment from first screening to interview logistics, keeping candidates informed at each step.
- Sourced and contacted candidates with LinkedIn Recruiter.
- Contributed to an employer branding project; Permobil was named Careereye's Employer of the Month, April 2024.

Legal Coordinator → Senior Coordinator, Legal and Compliance SGS, Tehran · 2015 – 2021

- Managed contracts from drafting to conclusion and monitored compliance with applicable regulations.
- Turned regulatory requirements into staff training materials with Internal Audit and Risk Management.

Writing & translation Tehran · 2015 – 2019

- Marketing Copywriter (Freelance), Faramohtava, 2018–2019: keyword-based SEO articles for brands.
- Content Writer, Sabaldea, 2015: SMS copy for mobile service packages, short and clear within character limits.
- Literary Translator: three novels from English to Persian (Grisham, Montgomery, Zoboi).
